MASONITE®

EXTERIOR DOORS

Fiberglass and Steel

Masonite is built on more than a century of innovation and sustainability. We thoughtfully design our selection and purchase processes to provide a best-in-class customer experience. We strive to deliver on these promises — every time.

We are on a mission to elevate the "everyday door" into something extraordinary. We create beautiful, durable exterior and interior Doors That Do More® in a curated portfolio that fulfills human needs for comfort, safety, security, and convenience so that people can rest, learn, work, and live comfortably.

As we enter our next century, we will continue to ask what more can our doors do to make life better.

Masonite® Performance Door System + m·protect™ Multi-Point Security Lock

1 SQUARE EDGE DOOR

Fits perfectly into the frame.

3 ENDURA® SIMPLE SOLUTION® CORNER PADS

For inswing doors only:
Reduces upward water pressure and forms a tighter seal.

5 M-PROTECT™ MULTI-POINT SECURITY LOCK

Innovative multi-point lock that works with off-the-shelf hardware, supports forgiving installation, and delivers lasting performance.

2 ENDURA® PE650 WEATHERSTRIPPING

Made to snap back into shape when bent or twisted, this low-wick memory foam weatherstripping can reduce air and water infiltration.

4 ENDURA® Z-ARTICULATING CAP SILL™

For inswing doors only: Engineered to accommodate the typical shifts that can occur with changing weather conditions.

10 YEAR
LIMITED WARRANTY

Note: Outswing Masonite® Performance Door System options also available.

Security meets perfomance.

Elevate security with M-Protect™. When integrated into any Masonite® Performance Door System, our multi-point lock is **4X stronger than a standard deadbolt lock**[1] — delivering enhanced protection against break-ins, and surpassing one of the highest levels of industry benchmark tests for security.

Featuring tapered bolts and adjustable strike plate rollers, its design compensates for imperfect installations to ensure smoother everyday use. Unlike some competitors, our system is available with a range of hardware options, including electronic and smart locks.

Plus, enjoy added peace of mind with our trusted 10-year limited full replacement warranty that also covers re-installation costs in case of water resistance warranty breach.

[1]Testing performed on a door without glass; results may vary for other door styles.

Exterior Door Collections

Our dedication to superior craftsmanship allows us to deliver unsurpassed quality and value in both fiberglass and steel entry doors. We offer a comprehensive selection of door styles, finishes, and decorative glass options — all crafted with exacting attention to detail.

Low-E
010

Choose Low-E glass to help improve energy efficiency

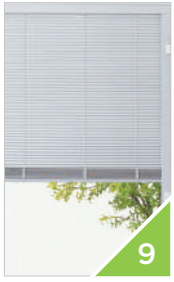

Keeps heat out in summer

- Year-round comfort
- Reduces fabric fading

Keeps heat inside in winter

- Meets ENERGY STAR® 7.0 when used in a certified door

Mini Blinds
01RL

Mini Blinds

Blinds sealed between two panes of glass, giving you easy light and privacy control while staying dust-free, protected, and completely maintenance-free.

Vents
V

Vented Lite

A glass insert that opens like a small, low-profile window, operated from the inside using two easy-slide controls. It allows fresh air in while keeping the door secure.

Not all glass is available in all shapes and sizes. For full availability, see charts starting on page 66.

DIVIDED LITES

Divided Lite bring architectural character and timeless charm to any home. Whether you prefer the authentic look of individual panes or the low-maintenance convenience of integrated designs, these options add visual depth, dimension, and classic appeal to your door or window.

SDLs
S

Simulated Divided Lite (SDLs)

Creates the look of true divided panes with surface-applied bars on both sides of the glass that add depth and architectural detail. These bars can be painted to match the color or stain of the door.

Ext. Grids
E

Exterior Grid

Add an exterior-mounted grille for added curb-appeal while keeping the interior glass surface smooth and unobstructed. These bars can be painted to match the color or stain of the door.
