WHY YOU CAN TRUST PELLA

At Pella, we don't just create windows and doors. We innovate with purpose, design with passion, build with integrity and deliver with pride.

RATED #1 BY HOMEOWNERS FOR HIGHEST CRAFTSMANSHIP[1]

We are continually striving to improve what we do and how we do it. That drive has earned us 284 patents and counting for amazing innovations. In 1925 we opened our doors with the patented Rolscreen® retractable screen, a time-tested innovation that is still a popular feature today.

RATED #1 BY HOMEOWNERS FOR HIGHEST QUALITY[1]

We sweat the details so you don't have to, delivering products created specifically for your projects. On average, we perform over 9.5 million quality checks every year. At Pella, just meeting the standard isn't enough. That's why we test beyond requirements and set a new standard to ensure quality windows and doors that are built to last.

THE BEST LIMITED LIFETIME WARRANTY FOR WOOD WINDOWS AND PATIO DOORS[2]

You can feel confident in your investment. We pride ourselves on providing exceptional quality, exceeding expectations and going beyond requirements. That's why we stand behind all of our wood windows and patio doors with a limited lifetime warranty.[3]

WHY CHOOSE WOOD?

Get the beauty and warmth of natural wood, our most customizable designs and exceptional energy efficiency. All Pella wood products are made with high-quality wood, metal and manufacturing processes, regardless of product line.

EXCLUSIVE WOOD PROTECTION

Pella’s exclusive EnduraGuard® wood protection is applied after the pieces have been cut and milled, but prior to final assembly, providing advanced protection against the elements.

DESIGNED FOR LONG-LASTING DURABILITY

Intentional jamb-on-sill design helps seal the end grain of the wood and elevates it off the rough opening, reducing the potential to absorb moisture. For added strength and durability, our three-way corner joints are made up of mortise-and-tenon, metal fasteners and commercial adhesive.

QUALITY EXTERIOR AND INTERIOR FINISHES

Extruded aluminum-clad exteriors feature through-stile construction for exceptional durability and EnduraClad® finishes that resist chalking and fading. Interiors can be factory prefinished to save time. Our prefinish is applied prior to final assembly and kiln-cured for a quality aesthetic.

Pella LIMITED LIFETIME WARRANTY
