MAKE MORE OF THE TIME YOU HAVE *Together.*

Your event brings the right people into one place. Put that opportunity to work. Pair Stefanie's keynote or hosting with planned interviews and event coverage from the Grit Blueprint team. Give people a strong experience in the room and capture stories your team can keep using.

SPEAKING, HOSTING & EVENT MEDIA

KNOW WHAT HAPPENS BEFORE, DURING, AND AFTER.

01

BEFORE THE EVENT.

Agree on the audience, the goals and Stefanie's stage role. Choose the people to interview, the stories that matter most and the schedule for each.

02

DURING THE EVENT.

Stefanie speaks or hosts at her set times and leads the interviews in their own windows. The Grit Blueprint team records the interviews and moments in your plan.

03

AFTER THE EVENT.

The team edits the pieces you chose, your team reviews them, and they're delivered for the uses in your plan. Delivery dates are set in your proposal.

TELL US ABOUT YOUR EVENT.

Share your audience, date and what you want the session to accomplish. The team will follow up about fit, availability and next steps.

CHOOSE A STARTING *Point.*

KEYNOTE + EVENT MEDIA

Stefanie gives the keynote. The Grit Blueprint team plans and records interviews or coverage around it, at times that don't clash with her session.

HOSTING + EVENT MEDIA

Stefanie hosts or moderates. Selected interviews and stories are recorded in set windows, so the stage keeps its host.

SPEAKING + HOSTING + EVENT MEDIA

A keynote, a hosted or moderated session and the interviews, planned together. Each role gets its own place in the run of show.

ONGOING EVENT PARTNERSHIP

A defined series of events or recurring content work, planned across the year.

Keynotes, hosting and event coverage are still available on their own. The final scope is set in your proposal.

PUT THE STAGE AND THE STORY ON THE SAME *Plan.*

Tell us about the event, the roles you need on stage and the content you want afterward.
