AV and Stage Requirements

TRAVELS FROM

Flies out of Atlanta, Georgia.

AV NEEDS

Stefanie prefers a lavalier mic and can also use a handheld. She brings her own laptop and usually her own clicker. In very large rooms, she uses the venue's clicker.

SESSION LENGTH

Keynotes: 30 to 90 minutes. Workshops: a half day or a full day; Build Your AI Advisory Board is 3 hours. Webinars: 45 to 60 minutes. In person or virtual.

HOW TO SAY HER NAME

Couch, like the couch you sit on.

Share your run of show, rehearsal window, technical contact and recording plans. We'll confirm the microphone, slides, playback and stage setup for your session.
